## THE STRIKE IS OVER

**The main objective of Job Security for every member in the bargaining unit has been achieved!** We have a fair contract for everyone.

The picket lines are to be taken down.

Detailed information regarding the contract specifics will be provided later today.

Employees whose tours begin 6 p.m. Tuesday night, March 27, 2018, and extend into Wednesday, March 28, 2018 will report to work for those tours. All other employees will return to work for their tours that are scheduled to begin on Wednesday, March 28, 2018. In unusual circumstances, the Company will excuse employees, without pay, from reporting for a reasonable period not to exceed 72 hours from 5 p.m. March 27, 2018. Returning employees will return to work on the same tours to which they were assigned immediately prior to March 3, 2018.

This victory is a result of the solidarity and commitment each and every member showed during this strike. On behalf of your bargaining committee, we want to congratulate and thank you for standing up and fighting back to achieve this contract.
